LOVE LIKE LINDA SCHOLARSHIP

"Love Like Linda" is an inspiring concept encouraging individuals to embrace a life filled with compassion, kindness, and selflessness. It embodies the idea of living with an open heart, much like our mom, sister, aunt, grandma, and GiGi did, who was known for her unwavering love and generosity. Loving like Linda means actively listening to others, showing empathy, and offering support without expecting anything in return. It's about positively impacting the lives of those around you, whether through small acts of kindness or significant gestures of support. By adopting this mindset, we can cultivate deeper connections and create a more compassionate world, one interaction at a time. We are honored and pleased to present this scholarship to someone who embodies the personality Linda exhibited every day of her life and encouraged others to exhibit as well.

The family of Linda Dowalter is pleased to announce the establishment of the "Love Like Linda Scholarship." This non-renewable scholarship will be issued to one individual meeting the following criteria.
