

Linens

As you prepare for your trip, we wanted to give you a heads up about our towels, pillows and blankets that we provide. The following policy helps us maintain reasonable laundry loads for our washing machine and septic tanks and allows us to keep a reduced cleaning charge for you. We appreciate your understanding.

Towels: We provide you with approximately 12 towels for your 2-3 day stay. If you would like more than that, you will need to bring your own.

Pillows: Our pillows are adequate but we know everyone has their own comfort level for pillows. While you may enjoy ours, we encourage you to bring one of your own to provide you with the best sleep. (IYKYK)

Blankets: We provide 1 light weight comforter per cabin bed (6 total) and a couple of extra blankets for being cozy on the couch. (We do have some extra quilts but they are too heavy to be washed. They are aired as time allows.) If you would like more than what we provide, you should bring your own favourites from home.

Final two points:

- (1) we encourage all guests to sleep in between our sheets as that makes the best possible clean and helps our business stay "green".
- (2) if you plan to use our shop for sleeping you may want to bring some sleeping bags.

Thanks again for your understanding. We know you will enjoy your trip and the value you receive from Rec Base.
