

Stud Service Agreement – Dozer (AKC NP91493010)

Location: Palm Coast, FL

1. Stud Fee

- Stud fee: **\$2,500 USD**
- Paid in full before breeding or semen shipment
- No refunds

2. What's Included

- Up to two breedings per heat cycle (natural or AI)
- One semen shipment (if applicable; extra shipments incur fees)
- Communication and basic support throughout the process

3. Female Requirements

The female must:

- Be AKC registered
- Be healthy and parasite-free
- Have a negative Brucellosis test within 6 months
- Be current on vaccinations
- Provide registration and pedigree
- Have progesterone testing for timing (recommended)

Stud owner may refuse service if the female appears unhealthy or unsafe.

4. Live Litter Guarantee

A “live litter” is defined as two or more live puppies at 48 hours old.

If no pregnancy occurs, one repeat breeding is offered on her next heat.

No refunds.

5. Responsibilities

Female Owner:

- All veterinary costs
- Progesterone testing
- AI costs
- Travel or shipping expenses
- Proper care of the female and puppies

Stud Owner:

- Provide stud services as agreed
- Provide semen collection/shipment if applicable
- Maintain communication and documentation

6. Liability

Stud owner is not responsible for:

- Injury, illness, or death of the female
- Failure to conceive
- Puppy health issues or defects
- Veterinary complications

7. Agreement

By signing, both parties agree to these terms.

- Female Owner Name / Signature / Date
- Stud Owner Name / Signature / Date
