

# **DETAILING PACKAGES**

## **Show Room Classic:**

Complete detailing of the interior as well as the exterior of the vehicle. This includes a two stage buff to the exterior paint we hand wash and dry the vehicle and then seal the finish with a collonite hand applied paste wax. Ivan & Izac's cleans inside as well as outside of the wheels and tires and dress and condition the tires. We use heat extraction shampooing process to clean the seats, carpets and headliners, and to remove any stains or pet hair . Ivan & Izac's uses factory color match dyes to restore color in the carpets and floor mats where needed. For dealer owned vehicles, we install the 'dealer remove only plastic' on the front floors. We clean all interior trim pannels and compartments using a variety of brushes and compressed air. We then dress the trim to a factory matte finish. Ivan & Izac's thoroughly clean and wax the door jams, then dress the weather strips. As for the engine compartment, we degrease and clean the metals and trim shrouds and hood blanket. We then dress the plastics and hoses. We clean and wax the inside of the fenders and under the hood. For dealer owned vehicles we apply engine paint where necessary. We shampoo the trunk compartments and mat. We thoroughly clean the spare tire area as well as the spare tire and rim. For trucks we scrub out the boxes and bedliners and clean and wax the tailgate jam. We clean the tops, inside and outsides of the windows. We 'Terminator' scent the interior which is not only a fragrance, its also a bacteria eliminator. For dealer owned trucks or SUV's we undercoat the frame rails, leaf springs, and hitches back to the original black finish. For dealer owned vehicles we "brush touch" any chips or scratches.
