

Endorsement for President of SMART Transportation Division

As a State Director, I am proud to endorse Jeremy Ferguson for President of SMART Transportation Division.

Even though I am relatively new to the scene. Jeremy has demonstrated his commitment to our members and serves us well. His leadership has opened new doors to our member's rights. He has a hands on approach and listens to our members concerns.

I have had the privilege of meeting him on numerous occasions. I have seen his compassion for his job as our president and as well as our members.

I believe that Jeremy is the best candidate to lead SMART-TD into the future. He has the experience, the vision, and the passion to continue to be our leader of choice.

I urge you to vote for Jeremy Ferguson for President of SMART-TD.

Sincerely,

Kyle Pense

Oklahoma State Legislative Director
