As a General Chairperson, I am proud to endorse Jeremy Ferguson for President of SMART Transportation Division.

My Office had the privilege of working with Brother Ferguson fighting for members in the National Contract Negotiations theater and several other territory specific issues that affected the membership. Brother Ferguson possesses the leadership and knowledge that is required to continue the progress in improving the working conditions for the SMART-TD membership.

With Brother Fergusons keen leadership traits, he has set the bar for other labor unions in the country. Through building countless sought after relationships with the membership, policy makers and other labor organizations SMART Transportation Division has become the paradigm in labor organization's functionality and purpose.

Further, Brother Ferguson through his many years working in local and general levels of the organization gained an irreplaceable knowledge of transportation collective bargaining, dispute resolution, and regulatory policies that will continue to provide the vehicle for further progress in betterment of the workplace.

There is only one candidate, and that is why I ask you, to join me in voting for Brother Ferguson as President of SMART Transportation Division.
