He is God El Roi—the God who sees!

In Genesis chapter 16, Hagar refers to God as El Roi, “the God who sees”. Oh, that we might be able to see with the eyes of our Lord! None of us ever saw that our lives would continue to be in a state of uncertainty as COVID lingered on for so long. So, we fix our eyes on Christ who sees what we can’t and continue to trust He will lead us every step of the way and He has been faithful! He continues to call individuals into ministry and we have been there to provide the training that they need to get started on their journey. What a marvelous opportunity we have been given to see new ministries being born, for such a time as this!

Thank you for your continued support of the training & equipping ministry that God has called us to here in West Florida. Thank you for loving us with your friendship and prayers! We are eternally grateful for each of you! ❤️

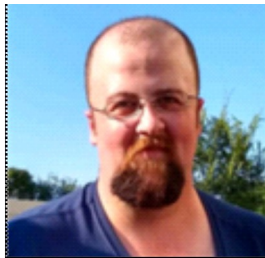

NSOM Student: Cherie Zack

When God called us to start a training ministry for Him over 15 years ago, we envisioned all the ministries that would be birthed into the Kingdom of God as a result. Over the years we have seen many such ministries come about. It is such a blessing every time we see an individual become trained and equipped and launched into their calling from the Lord. One such student is Cherie Zack.

Cherie, who had already received her AA from Liberty University, began taking ministerial courses with us in 2015. She is now a Licensed minister with the AG, and has recently become a part of US Missions. She also founded “Cherie Zack Wife Coach: Teaching wives how to fight for their marriages.”

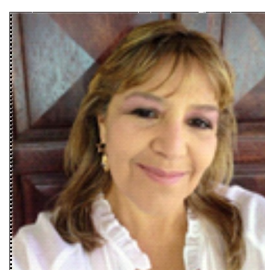

Cherie told us: “I loved my time with the District School of Ministry (now known as the NSOM). From the anointed classes and Pastors who taught them to getting time with fellow pastors and ministers to be. My journey with the school was a powerful experience and one I will forever be grateful for.”

We always feel like proud parents as we watch our students go forth and bear fruit for God’s Kingdom. And as such, we are proud of Cherie and can see that the Lord will do mighty things through her ministry gifts and callings.

Congratulations to the following students who have completed all three levels of their ministerial training in recent months!!

We are so proud of all of you.!

- Manda Barnes
- Thomas Adamson
- Chris Steverson
- Magaly Maldonado
