

AIX BOOTH 6E80/B

**Convert any Economy seat
in 'relax reading' or 'sleep' mode,
while maintaining existing seat,
cabin and certification integrity.**

**For a century,
Economy passengers
had to sit on chairs.
It only takes 10 minutes
to host them now
on sleep capable seats**

- A premium Economy low cost on existing seats, cabin and certification integrity.
- A small investment paid back in 2 months.
- A huge ancillary revenue generator.
- A minor modification EASA/FAA compliant.
- Low cost single aisle as wide bodies justified.
