VOLUNTEERS NEEDED

The Friends are looking for a few good volunteers to work in the Gift Shop at the Main Library. No experience is necessary - we'll provide all the training you need. The work is easy, and the hours are flexible. (Most volunteers work four to eight hours per month.) We can't pay you, but you'll have our gratitude. You'll meet some great people, too.

If you're interested in volunteering, either call the FOL at 330-458-2630 or contact me by email (pcrouser@starklibrary.org).

SCHOLARSHIP AWARD

The Friends of the Stark County District Library are proud to announce that Claire Cross is the recipient of the 2020 Scholarship Grant. Claire Cross is currently a Library Specialist at the Main Library. She has been able to plan district-wide programming while maintaining Storytime attendance numbers in the double digits. Claire enjoys interacting with children and their families as well as building relationships with various schools in the area. Claire's goal is to become a Children's Librarian upon completion of her MLIS degree. Congratulations are extended to Claire!

TED HARVEY RETIREMENT

Our FOL is losing one of our most faithful volunteers, Ted Harvey, to a well-earned retirement. Ted has been an active volunteer for several years and has worked tirelessly on our behalf. His main accomplishment has been chairing our monthly used book sales inside the library. Quite an accomplishment when one considers that hundreds of books needed to be moved from storage and into the McKinley Room, and then the unsold ones moved back to storage. Until recently, we had been able to have several shelves along the wall of the lobby of the Main Library, and Ted kept those filled with books for sale, as well as two large wooden book cases on wheels. (Those filled bookcases are now in our FOL Gift Shop with books for sale).

We will miss Ted a lot, but we wish him well in his retirement.
