TREAT YOURSELF TOURS

The task of the organiser can be a difficult one. Compiled below is a list of handy hints to make your job a little easier.

- Send out invitations at least 3-4 months prior to your tour. **Set date for payment at least 6 weeks prior to your tour.** Where possible, tell everyone you invite to bring a friend or two. You may even wish to involve charities like yours to increase your group size.
- As a suggestion, please ask your group to provide a reasonable deposit, to ensure numbers stay high. Otherwise taking full payment is always better for the group.
- Get in early if booking for a pre-Christmas tour as demand is high during this time (This applies from September through to November).
- We understand that some may be slow to reply and/or pay for the tour and bearing this in mind the numbers attending your tour are only an indication at the booking stage. Finalisation of numbers should occur at least 4-6 weeks prior to the tour and payment up to 4 weeks prior.
- We would advise that you charge your group slightly extra (perhaps the price category below your expected numbers) to cover yourself if numbers unexpectedly drop. If you do end up with extra money as a result you can add it to your fundraising or use it for buying some drinks or snacks for your tour.
- I will work with you concerning the warehouses that best suit your needs. Don't hesitate to ask me.
- As warehouse times are pre-booked, please ensure that members of your group are aware of the importance of punctuality for both the pickup time and stops during the day.
- Arrive at least 15 minutes earlier than expected departure time.
