Frequently Asked Questions:

Q: Will you be providing equipment?

A: No, I can provide a proposal for the equipment that would be needed. We can discuss this during the initial consultation.

Q: What does the consultation fee include? Does it go towards my final price?

A: The consultation fee includes assessing your issue's current state, and a package can be built based on your needs. The fee does not contribute to the final bill.

Q: How does the monthly maintenance website fee work?

A: Payment methods are flexible. An invoice for the service will be generated monthly.

Q: Do you make advertisements for social media?

A: I can create and post advertisements on all social media platforms.
