

OVERALL GOAL – “One-way trick-or-treating where individually wrapped goodies are lined up for families to grab and go while continuing to social distance.”

To have a successful and Covid-19 safe Trunk or Treat, all Businesses participating this year are expected to follow the below guidelines.

1. **PARKING** – A designated sign will be placed where you will park during the event. Your trunk is to be facing the inside of the square. There will be one parking spot empty in between each car. MABA will provide an assigned space with signage before you arrive.
2. **WORKERS/BUSINESS REPRESENTATIVES** – All attending need to wear a mask/face covering and gloves.
3. **VEHICLE TRUNKS** – So each parent is aware of who they are receiving their children’s candies, please provide a Business Sign/Vehicle Sign with your business logo/name. We will provide a temporary sign for parking purposes.
4. **TREATS** – Please decorate your truck as in the past. So, each Trick-or-Treater is not reaching into the same bowl, please provide a table set up six feet in front of your truck with your candy laid out on the table. Only prepackaged candies, little favors, or treat bags (no homemade treats) for save easy distribution.
5. **FOOT TRAFFIC** – Event coordinators will provide arrows to direct foot traffic and keep people walking in one direction during the event.
