With spring right around the corner the following are just a few activities involving our department this month.

Youth Basketball – Our 2018 season comes to a conclusion next week with championship games on Monday, March 12th and Tuesday, March 13th.

Spring Soccer – Registration has been completed, and we have almost 400 participants enrolled for this spring program. Practices are being scheduled and league play will begin the latter part of this month.

Youth Baseball/Softball – Registration begins for these programs on Tuesday, March 20th and concludes Thursday, April 20th.

Hinson Lake – As the spring and summer months approach activities and reservations for this facility increase substantially. Hinson Lake has, and will continue, to offer a nice diversification to our recreational offerings.

March is always a transitional month for our department. Weather will remain a variable, but through the years, our maintenance staff has employed various maintenance strategies to make the process as seamless as possible. We look forward to the months ahead.
