Saint John Bosco School

2022-2023 School Year

Parents and Future Students,

Thank you for your interest in Saint John Bosco School!

Saint John Bosco School is a private, independent hybrid school for boys and girls in the Catholic tradition, offering courses to students in grades 7-12.

Saint John Bosco School is a hybrid school that seeks to combine the best of two educational models – Homeschooling and a traditional Catholic Education. It is the belief of the members of Saint John Bosco School community that each form of education has much to gain from the other.

At Saint John Bosco School we recognize the wisdom found in a classical, liberal arts education. We view this educational model as a platform to encourage spiritual and intellectual growth grounded in the Good, the True and the Beautiful.

We are pleased to announce that registration for the 2022-2023 school year is now open. To maintain our high academic standards class sizes will be limited and preference will be given to full time students.

To register your student, please complete the registration forms included in this welcome packet and submit the registration fee.

We look forward to welcoming your student into the Saint John Bosco Community!

Sincerely,

The Saint John Bosco School Board of Directors
