FROM THE DESK OF SEDI MANAGER

Jai Shri Krishna,

Greetings for the festive season ahead!

We feel very optimistic to look at the openings and new hiring in the industries as now the markets have completely opened and the opportunities for the youth are increasing day by day.

The agenda of the last quarter was run on a Vaccination drive in which we were more focused on getting 100% vaccination of our trainees as well as the team members. During the quarter, we were dedicated towards the initiative of preparing the **Covisainiks** so that they could face the third wave of Covid and make the society people ready for the same. Till now, we have prepared total **80 Covisainiks** who are ready to serve the society people and save them from the third wave of Covid. As per the Covid & State Guidelines, we have also commenced our classes in the offline mode and began the physical movement too. We will be focusing on completing our financial targets so as to provide the good quality skills and training to the trainees. We will try to enhance the placement status of the trainees so as to make most of the opportunities according to the current market trends.

We heartily welcome two new members in our Gurukul family, **Ms. Anjali Verma** has joined us as a Makeup Artist Trainer and **Mr. Sachin Maheshwari**, has joined as a Mobilizer. We hope to benefit from their focused attitude and best wishes to them for their bright future.

We also feel glad to share about the visit by **the General Manager of Telecom Sector Skill Council (TSSC) Mr. Gaurav Sharma** and are very graceful about the coordination and support we receive from them for our trainees and expect their regular guidance. Also, we are really very grateful to **NABARD and District Industrial Commissioner, Mathura** for their immense presence in the Valedictory Function of General Duty Assistant batch where they motivated the trainees by their golden words and wished them for their optimistic career.

We are shifting our computer certification and course provider from ICA to Tally. ICA have been our partners for the last 6 years plus and have been a source of immense help and inspiration to us at Gurukul for both training our faculty and giving improved skill sets to our students. This change has been necessitated to bring uniformity across all SEDI under ACF. It is heartening to note that ICA has assured us continuing support irrespective.

May Girraj Ji shower his choicest blessings on all.

ANIL PRASHAD
SEDI MANAGER
RAJASTHAN CLUSTER

INTRODUCTION TO OUR FACULTY MEMBER

MR. Mahendra Kumar Bheel,

General Duty Assistant Trainer is graduate in B.Sc Nursing from Rajasthan.

He is been associated with Krishnashray Gurukul SEDI, from **15 October 2020**. Before joining SEDI he was working in Pecific Institute Of Medical Science, Udaipur hospital for **1 year**. He has rich working experience in healthcare sector. His trainees are currently working in different parts of India like Delhi, Jaipur, Gurugram, Mumbai in reputed orgainizations like **Dhani Health Care, Fortis Hospital, Signature Hospital, Ajji Health Care services Mumbai etc..**

GDA trainees at Gurukul doing practical work.

- 40 Female COVISAINIK has been trained

The **COVISAINIK** Initiative started with the thought to aware community about the COVID-19.

At Gurukul we have started the very first batch of COVISAINIK program on 15th July 2021 on the occasion of **WORLD YOUTH SKILL DAY**. Where **Dr. B.S. Sisodiya** medical superintendent of **CHC Goverdhan** along with his whole team of doctors joined virtually and aware the candidate about COVID-19 and its precautions also about the vaccination and its rumours in community.

Visit of General Manager Telecom Sector Skill Council

Mr. Gaurav Sharma, General Manager of Telecom Sector Skill Council (TSSC) visited Krishnashray Gurukul SEDI of 3 Sep 2021. During his visit, he interacted with the current and ex-trainees of Handset Repair Engineer trade and provided very insightful view on the trade and also for their future prospects. After the interaction, he had a virtual discussion with Mr. Vishnu Prasad, SEDI Manager, Rajasthan Cluster. During his visit he provided his guidance for training, infrastructure and placement opportunities for the trainees of handset repairing engineer course.

EVENTS AT KRISHNASHRAY GURUKUL SEDI

MATA KA SAMMAN On the date of 09 September 2021, Krishnashray Gurukul, organized an Event in which our honorable chief guests were - Mr Manoj Agarwal (DGM), Mr. Vishnu (Cluster Manager), Mr Manmohan (Center In- Charge, Nagaur), Mr. Sarvesh Gupta (DDM NABARD) and Mr. Ramendra Kumar (Deputy Commissioner Industries) were presented.

Following were the highlighting point of the events-

- Tool kit and Certification were been distributed to ex- trainees.
- Progress Review.
- Lab Setup.
- Lab Upgradation.
- Training Qualities.
- Placements Review
- Distribution of Cheques Rs. 5,000/- to the mother of female candidates on sending them for the job.

Financial literacy session was been organized for the current and ex-trainees on 26 August, 2021. Total 32 trainees attended the session.

Valedictory event was organized for NABARD funded Trades (General Duty Assistant and Fashion Design) on 19 August, 2021. During the event, DDM NABARD Mr. Sarvesh Gupta visited the center.

Following are the key highlight of that day.

- Banner Distribution for those trainees who are self-Entrepreneurs.
- Tool Kit distribution.
- Certificate distribution.

NABARD PROGRESS

We have successfully completed **3 batches** training under the support of NABARD where we have trained 65 Trainees under the General Duty Assistant and Fashion Designing course. It was a great experience working with NABARD.

Shree Sarvesh Gupta (DDM NABARD Mathura) is connected with Krishnashray Gurukul SEDI from July 2021. He always provides his valuable guidance in training not only this, he also guides our trainees in **employment** generation through **self and wage employment**.

Our Centre is extremely privileged that he always takes out time from his busy schedule to visit our center and to motivate and guide our trainees.

NEW BUILDING CONSTRUCTION STARTED

Proposed Design for the New Building

We have received the plan approvals from **MVDA** and have accordingly started construction in **Janmasthmi this year**. We are now at land leveling stage and hope to be complete latest by **Dec'22**. In the first stage the constr would be about 10,000 sqr ft.

Intrigue designs, (www.intriguedesigns.org) delhi are the monitoring agency

Ground Leveling work started at the site

SELF ENTREPREINOURS OF THE QUARTER Prashant and Vishal Surya very hardworking trainees from Handset Repairing Engineer (HRE) trade open their own mobile repairing shop.

OUR EXISTING PLACEMENT PARTNERS

MEET OUR NEW PROMINENT PLACEMENT PARTNERS

JOURNEY OF MR. PREMCHAND

TRAINEE OF GURUKUL

Premchand, 23 years, born in a small village of **Rajasthan** called **Januthar**. At his early age only, he lost his father and his mother was the only breadwinner for family consisting 7 members. While sharing his story he added that - **"I saw the struggles my mothers had to go through to take care of us" which I always keep in my mind.**

He started working just after completing his 12th to help his mother who was a daily wage worker. Before joining course at Krishnashray Gurukul SEDI, he was working at Private Lab **"Unmol Lab X-Ray Centre, Januthar"** where he was getting 3,000 salary per month which

was not enough for fulfilling the need of such huge family.

One day he came to know about **SEDI, Mathura** by one of his village friends' names Ramgopal. Without delaying he visited center at the same day to gather more information. And as he always wanted to peruse his career in medical field, he enrolls himself at **General Duty Assistant (GDA nursing) course**. After completed 4 months GDA course, he did his 2 months On Job Duty from **Sharda Hospital, Noida**. On 20th February 2021 he got an opportunity of working at **Ajji Care at Mumbai**. And currently he is earning 18,000 per month.

"I am very happy today that I took this decision to enroll myself at Krishnashray Gurukul SEDI, I still recall those beginning days at Mumbai when I had no penny left in my pocket, that time I had no one to help me out, at that curtail time my center (SEDI, Mathura) came forward and helped me financially for 2 months."

Adding further -today I am capable to become a helping hand of my family just because of this organization. Now I have said to my mother that she doesn't need to work anymore because I feel now it's my time to take care of her. Also, I am taking care of my younger sister and brother education too. Ending his word he said, the career opportunities and the work this organization is doing for rural youths like us is not at all expressible in words.

Krishnashray Gurukul SEDI, wishes Premchand for his better future ahead.

FEEDBACK FROM WORKPLACE EXPERTS

Mr. Siddharth HR Recruitment Manager Workex

I have recruited four candidates from Krishnashray Gurukul-SEDI Goverdhan for the first time. I must say these candidates are very good and are working very well at their workplace. I would be very happy to recruit more candidates from Krishnashray gurukul in future too.

Mr. Yogesh Sharma, HR Dixon

Geetam and Kapil have joined us in August month. I have received very positive feedback from our line supervisor. These candidates are very dedicated and punctual on their work. Even when they are provided overtime work, candidates never deny to do so. I am really happy to associate with Krishnashray Gurukul.
