VOLUME 17/ JULY 2023- SEPTEMBER 2023

Message from Zonal Manager Desk

Jai Sri Krishna dear readers!

It is my great pleasure and enthusiasm to welcome you all for another round of thought provoking stories and insights centered around the Krishnashray Gurukul SEDI a platform where we come together to celebrate our achievements, share our journey, and inspire one another. May the divine blessings of Lord Krishna bring love, joy, and prosperity into our lives.

First and foremost, I would like to address the most eagerly awaited news – shifting to our new, state of the art premises. This marks a significant milestone in our journey, a commitment to provide the best possible environment for our trainees and staff. The new infrastructure premises is a hub of innovation and learning, enabling us to reach new heights in our mission. Once we receive the required approvals we shall be adding two floors.

Our recent visit to Choice India Group and Care Health Pvt. Ltd. have opened doors to exciting collaborations and opportunities. These interactions have reinforced our vision and inspired us to continue our pursuit of excellence in education and community welfare.

In the spirit of continuous learning with fun, we have introduced the "Super Saturday" initiative lead by Swati Ji (Soft Skill Facilitator). This program is designed to enrich our knowledge while indulging in enjoyable activities, fostering a well-rounded educational experience. Social Media is now progressing under the supervision of Prerna Ji (IT Facilitator). Requesting you to kindly follow us on our social media handles.

This quarter also marks a day of double joy as we came together to celebrate the 5th Anniversary of AU Foundation and 1st Anniversary of our incredible partnership! Together, we've achieved remarkable milestones, from launching innovative programs to expanding our outreach to even more individuals in need. It's been a year of teamwork, dedication, and unwavering support from all of you that has made this partnership thrive. Thank you AU Foundation for being a part of our shared mission, and we look forward to many more years of collaboration, compassion, and transformation.

We welcome Mr. Ankit Kumar, our new Community Mobilizer and Mr. Vinod Kumar Kirad, Assistant Electrician Facilitator bringing fresh perspectives and ideas to our team. Mr. Mahendra Kumar Bheel, our dedicated GDA Facilitator, has been transferred to Kota due to personal reasons. We appreciate his valuable contributions during his tenure with us and wish him continued success in his new location. We also congratulate as part of our commitment to safety, we recently organized a road safety session in collaboration with Vega Auto Accessories Pvt. Ltd. The knowledge gained will not only benefit our organization but also contribute to the well-being of our community members.

The faculty and the family had unforgettable Mumbai office trip. Seven days filled with fun, learning, and the incredible opportunity to meet the legendary Amitabh Bachchan left an indelible mark on all of us. It serves as a shining example of the inspiration that lies within the bonds we create and nurture within our team. Apart from a session at KBC we also have a play at the world famous Neeta Mukesh Ambani Cultural Centre (NMACC), visited Imagica, Jehangir Art Gallery, Elephanta Caves.

As always we seek your continued guidance as :

1. How can we improve the content of our offerings so that our students learn better and how can we better enable our faculty to deliver the same.
2. How can we get better on-job-training/ job opportunities for our students.

With warm Regards

SESSION BY MS. ANITA KUMAWAT | 22 AUG, 2023

We had an insightful session with Ms. Anita Kumawat, a seasoned nursing professional, who shared her remarkable journey with us. With 9 years of experience, she began her career in Jaipur with a modest salary of 10k per month. Today, she's thriving in Mumbai's home care sector, earning an impressive 70k per month.

Ms. Kumawat's story is one of continuous growth and determination. She's not stopping here – she's currently preparing for the OET exam (Occupational English Test), tailored for medical professionals. Success in this exam will open doors to opportunities abroad, including the UK and Ireland.

Her words of encouragement resonated deeply, motivating us to follow her example in the medical field. Let's embrace her dedication and keep pushing for excellence.
