# Message from SEDI Manager Desk

## Jai Sri Krishna!

At the outset of 2023 celebration, my heartfelt greetings for the prosperous new year ahead! May this year the grace of Lord Giriraj Ji keeps enlightening our lives and create goodness all around us. It is an absolute pleasure to present you to the Oct-Dec'22 Edition of Krishnashray Gurukul Newsletter.

In this quarter, serving the aim to facilitate streamlined placement opportunities, we raised the placement partnership with **Indian Infoline (IIFL) and Shri Ram Transport Finance Ltd.** We would like to place on record our sincere appreciation for the guidance that we got from **Sh. Navin Upadhyay** of IIFL & **Sh. Parag Sharma** of Shriram group in this respect. We are grateful to **Sh Prashant Mohta** of **ICICI** to visit us and give his guidance for employment opportunities at his esteemed Bank. We look forward to benefit from his support in times to come. Also, we have achieved 100% placements of General Duty assistants with extraordinary efforts of GDA Trainer **Mr. Mahendra Bheel** and Placement officer **Mr. Mahesh Bairwa** our compliments to both.

It was a great experience for us when **Sh. Narotam Sekhsaria Ji Chariman Ambuja Foundation** interacted with all the trainees of PAN India SEDIs. We are really thankful to Sir for giving his precious time to us.

We all at Gurukul sincerely acknowledge and appreciate the kind help of ardent Gurukul well-wisher **Mrs. Pavani Sarda** in helping us design and format the newsletter.

Across our major areas of focus, there is always an emphasis on women's empowerment. I am elated to share that KGF and ACF completed three years of [partnership and on this special occasion Hon-ourable **Chairman of Govardhan Shree Khemchand Ji Sharma** felicitated the mothers of female meritorious trainees under "Mata Ka Samman" initiative, to encourage trainees working far from their hometowns.

In April 2019, with impressive coalition of KGF and ACF, we made a commitment to create an outcome-based skilling approach for making strong impact on youth of Govardhan. We are truly glad to share that more than 700 youth lend velocity in sustainable development growth. Now, we are supercharging the project progress in the form of infra expansion and inaugurating the new premises of KGF at Govardhan road in last week of February 2023.

While our year End humbling accolades are still being counted, we want to pause and thank our stake holders, trainees, district administration, parents of trainees, renowned personalities of Mathura and all concerned who stepped forward with their generous feedbacks and suggestions whole year which allow us to improve focus and results are now clearly visible in the growth chart of KGF.

Our new building construction is progressing well and we are about to inaugurate by the Feb 2023. While our formal invite would reach you in due course, we look forward to welcoming you for the occasion.

As always, we seek your guidance on:

1. What can we do better to improve the content of our teaching to the students and also upgrade our faculty for the same.
2. How can we get better Upskilling/ OJT/ job opportunities for our students.
