## (Jan 2021 to Mar 2021)

FROM THE DESK OF CLUSTER COORDINATOR

Jai Shri Krishna!

We at Krishnashray gurukul are very excited with the new Financial Year. We are about to start a new course on the retail sector under certification of the Retailers Association's Skill Council of India \*RASCI\*. As always our endeavor has been to ensure the quality of our content and the utility of the certification to our students' career.

Skill sets for the Retail sector is much in demand and we shall focus on the opportunities there for the benefit of our students.

Under the partnership that we have with the prestigious organization National Bank for Agriculture and Rural Development \*NABARD\*. We have completed the first batch under the NABARD initiative with 56% placement and are working to improve on the second batch. We are grateful to NABARD for their continued support and guidance.

Our first batch under the Handset Repair Course under certification from Telecom Sector Skill Council \*TSSC\* are ready and we are looking to suitably place them. We would like to express our sincere gratitude to \*DIXON\* for their continued guidance & support.

We are grateful for all your trust and support over the years and look forward to your continued guidance for

- Improving our course content;
- Upgradation of our faculty;
- Placement of our students; &;
- Getting business for our SHG.

With best wishes for a new financial year, may Girirajji shower his choicest blessings on all.

*Vishnu Prasad*

# WORKSHOPS AND SESSIONS

- **FREE MOBILE CHECKING CAMP**

A free mobile checking camp was organized at the community centre for the awareness regarding the Handset Repairing Engineer trade running at Krishnashray Gurukul. This activity also helped in increasing the mobilization for the upcoming batches in this trade.

- **INDUSTRIAL MOTIVATIONAL CAMPAIGN FOR THE YOUTHS**

A two-day EDP cum Training Session was organized in association with MSME- Development Institute, Gol, Agra. The sessions were delivered on the topics with subject experts like Self-Enterprise opportunities in Mathura, Concepts on Self-Entrepreneurs, Opportunities in Sculptures & Fine Arts, Existing Government Schemes for individual and groups, Udhyaam Registration Process, Banking Linkages etc.

### • PANKHI MAKING WORKSHOP

This workshop was organized for two days by Mrs. Uma Jhanwar. In this, the Pankhi were prepared with the use of waste materials like Carton, Fabric, Stones etc. Basically, Pankhis are used for the Shringaar of Thakur Ji. The base for making the Pankhis were taught which was that it is prepared on the festivals like Akhya Teej, Janamashtmi, Diwali etc.

### • SOAP & SCRUB MAKING

Mrs. Jayshree Baheti from Delhi organized a Soap & Scrub making workshop for 2 days. In this workshop, 3 types of soaps were taught to make. It was taught to them that firstly, fatty liquid is taken and boiled. Then, liquid colour with fragrance is mixed to it for giving it a colour and good smell. Finally, the mixture is kept in the microwave and the soap is ready.

# EVENTS AT GURUKUL

## • International Women's Day, 8<sup>th</sup> March

On occasion of International Women's Day, a huge program was organized. It was a beautiful and colourful celebration where the students performed with joy. Team members and the organizers were present at Gurukul and showed their inner spirit and enthusiasm. Total 50 trainees were present on the day, giving a true spirit to the feeling of empowerment! The honorable guests motivated the female trainees for their upcoming future. Apart from this, the poster competition was held for the trainees and top 3 trainees among them who were declared as the winners were awarded. The team members also joined the inauguration of the trainees' self-business.

## • Local Advisory Committee Meeting

LAC constitutes educationalists from local colleges, universities, stakeholders and people from financial institutions as well. Held on the quarterly basis on the basis of following points of discussion:

Sharing the progress report of Gurukul

- \*Discussion regarding quality of training, guest lectures
- \*Discussion for placement and self-entrepreneurship

Minutes of Meeting is circulated to all members

## • World Water Day, 22<sup>nd</sup> March

Water plays a very precious role in our life. To aware the trainees regarding the importance of water, an Article writing Competition was organized. Through this competition, the trainees showed their on the spot and presence of mind and creativity with dedication towards saving the water

# EXPOSURE VISITS BY THE TRAINEES

- Visit at DIXON, Noida

The trainees of Handset Repairing Engineer trade visited DIXON situated at Noida where they learnt about the work process been followed in the company, safety measures been followed by the employees working there, how much training has to be gained to reach till the Level 4.
