QUARTERLY NEWSLETTER (OCT TO DEC 2020)

From the desk of Cluster Coordinator

Jai Sri Krishna!

Life & lifestyle has changed after pandemic which has already impacted many lives. Gurukul has however adapted to the new normal life rapidly. Accepting the changes and challenges in the life, our team members have accepted those changes and moved forward in the new normal life showing their teamwork and team-spirit with heartfelt dedication. At Gurukul, our main focus is on how to provide placement opportunities to our students. We are putting our efforts in searching for the job opportunities and seek your guidance for the same.

We welcome our three talented new family members, Mr. Anuj Singh Katiyar (Placement Officer), Mr. Mani Sharma (Handset Repairing Engineer Trainer), Mr. Mahendra Kumar Bheel (General Duty Assistant Trainer) with their full motivation and I am confident that they will prove themselves at their best. We are happy to inform you that we have started a new course i.e. Mobile Handset Repairing Engineer (under certification of Telecom Skill Sector Council of India. We are deeply grateful for the lead provided by Sh Gurdeep Singh sir for this and the active support of the office bearers of TSSC. We believe that a lot of job and self-employment opportunities would be there in the telecom space and hence the choice.

We wish to express our heartfelt gratitude for team Arcgate (www.arcgate.com) who are specifically helping us prepare a batch of 6 students to be KPO/ BPO employable. We hope to succeed in these endeavours under Arcgate guidance and thereafter expand this offering in our courses.

Finally a big thank you to Nandita Sikchiji for taking two of our Fashion Designing students as employees in her esteemed boutique at Pune. We have had very encouraging support for the paintings made by our art faculty Ms Chandrawatiji. Finally we are working to systematize and empower our SHG. As always we seek your continued guidance for

- Improving our course content;
- Upgradation of our faculty;
- Placement of our students; &
- Getting business for our SHG.

With best wishes for a very happy & prosperous '21 may Girirajji shower his choicest blessings on all.

NEW COURSE

Handset Repairing Engineer Trade

A 3-months trade which lies under the Telecom Sector Skill Council (TSSC) having the trainees of minimal age of 18 years and with minimal Qualification of 10+2. Handset Repair Engineer is Responsible for performing handset repair including hardware and software components, testing the handset for adequacy post repair and maintaining inventory levels of the hardware components. This trade in the current era is found to be prominent as electronic gadgets are more essential for the use in the daily life.

The training to the trainees is provided under TSSC sub-sector Handset Repairing Engineer Level-2. The training is provided according to the National Occupation Standard (NOS) mentioned by TSSC. The certificate provided by the TSSC is very beneficial and valuable as it can easily take up and help any trainee in entering a gadgeted company or service centre.

To provide the training of this particular trade, a Certified TSSC Trainer Mr. Mani Sharma has been appointed who has completed his Post Graduation in Master of Arts from English and has a experience of more than 4 Years in the training sector.
