Henderson, Nevada 89009

Dear Jim,

Based on your knowledge of crime scene technology, I would like you to serve as a consultant to this office whenever there is an occasion for this type of assistance. With your strong background in the area of crime scene investigation and forensic techniques, as well as chemical applications and crime scene processing equipment, your help could be invaluable and we look forward to working with you in the future.

Very Sincerely,

EDWARD J. BOND
Coroner
