

Olivia's Halloween Wish Comes True

Six-year-old Olivia, who is bravely undergoing treatment for leukemia, wished to visit *Walt Disney World*[®] for Mickey's Not-So-Scary Halloween Party. Halloween is her favorite time of year (and peanut butter cups are her favorite trick-or-treat surprise!), and she loves costumes, candy, and anything that sparks her imagination. She also enjoys riding her bike and watching her favorite movie, Spiderman.

To celebrate her upcoming wish, the Westford Police Department held a special Halloween-themed send-off party for which everyone dressed in costume to honor Olivia's love for the holiday. Surrounded by family and community members, she began her trip filled with excitement and joy.

At the Disney parks, Olivia experienced the Halloween magic she had hoped for. She received a princess makeover that made her feel extra-special and met her favorite superhero, Spider-Man, which quickly became one of the most memorable moments of her trip. Seeing *Walt Disney World*[®] Resort decorated for Halloween made the experience even more magical for her.

Olivia's wish gave her and her family a joyful respite from her ongoing medical challenges and enabled them to create memories full of togetherness and fun. Thank you for your generosity in helping create a wish-come-true for Olivia that perfectly reflected her personality and favorite things.
