On Being Grateful

CA's Musical Theater Department is committed to developing artistic excellence for the glory of God and the benefits of others. The theater program offers students an opportunity for hands-on involvement in every aspect of theatrical arts. We use a stage production each year as the platform for learning. Students in 6th through 12th grade are given instruction in acting, choreography, vocal instruction, set construction, costuming and more.

This God focused vision for the Arts was cast several years ago as our FOFA started to bloom alongside of our school administration to grow an amazing Fine Arts program. One of our founding members, Jill Jemison, prayed about a way to teach, create and use the arts to share the Gospel and equip the next generation with confidence in the hope of Christ. Her vision along with many others has sparked a passion for the Worship and Fine Arts at CA. We are excited to share this story of redemption, friendship, love, forgiveness and compassion. Our hope is to not only show excellence in music and drama, but to use our gifts to show how God is the perfect example of creativity, love and forgiveness.
