

the process

Getting Started

- Sign up using the **Legacy Registration Form**.
- Provide basic details and specify a trusted contact in case we can't get in touch.

Documenting Your Words

- Use our provided PDF template to write down your last words.
- Keep them safe with a password.

Enriching Your Message

- Add photos to your PDF that encapsulate cherished memories.
- Embed links to videos or other multimedia, crafting a richer message to your loved ones.

Staying Connected

- Expect occasional motivational quotes from us via WhatsApp.
- A simple acknowledgment reassures us of your well-being.

Checking In

- Should we not hear back from you, a call will be placed.
- If we can't connect, the trusted contact you provided during sign-up will be approached to ensure your safety.

Passing Down

In penning your last words into a secure PDF, know the password is your birthday—a heartfelt touch for loved ones to remember. Trust in MyLastWords.Life to deliver your words to the right hands at the right moment.
