Title: Billing changes coming for telemedicine services, starting June 1

Start Date: May 1, 2018 End Date: May 22, 2018

Starting on June 1, 2018, when billing for telemedicine services, please follow these guidelines:

- Report **all** telemedicine services, including telephone and online visits, with the place of service 02.
- Modifiers GT and 95 will only be required if you're rendering telemedicine services using audio **and** video telecommunication.

If you provide a telehealth service using audio only, the modifier GT or 95 **isn't** required. However, POS 02 is required in all situations.
