

THE DIAMOND APPROACH[®]

INQUIRY: ALIVE ADVENTURE **JANUARY 26-27, 2019, 10A.M.-5 P.M.** **ST. PETERSBURG, FL**

Inquiry, the central practice of the Diamond Approach[®], needs the fiery aliveness of the Red essence. This fieriness allows us to engage the essential Strength and Aliveness that is needed to face the challenges we sometimes encounter with Inquiry. This robust Aliveness gives us a sense that we have the capacity to meet those challenges. The Red essence also gives us the strength to defend against the attacks of our superego. We then can inquire more clearly. This, in turn, energizes our inquiry, allowing it to ignite into a bold, alive adventure.

If you live anywhere in the Southeast U.S., please join us for this meeting of the forming Diamond Approach Florida group. There will be evocative talks, meditation, personal inquiry exploration, and an opportunity to work individually with one of the teachers, while in the supportive presence of other group members.

The **Diamond Approach** to self-realization is a contemporary spiritual path integrating the teachings and practices of the ancient wisdom traditions with modern depth psychology. Developed by A. H Almaas, it is an ever-evolving teaching that emphasizes the realization and living of our True Nature “in the world.”
