Diamond Approach Florida

Diamond Guidance: The Yellow Essence

Diamond Approach Florida, an open group, welcomes new participants to join us for this teaching weekend. **In this weekend we start our Diamond Guidance series of teachings.** There will be talks evoking our depth, as well as meditation, and personal inquiry exploration.

Many of us live our lives in a way that feels lost. We are looking for some kind of guidance from the outside.

What provides true inner guidance to us in our lives and on our spiritual paths?

Diamond Guidance is a true inner guide for our lives and inner journey. Diamond Guidance gives us the capacity to know and understand our experience with clarity and precision. In this way it guides our inquiry and our lives if we are open to the guidance.

The Yellow Essence can manifest as true openness, curiosity and love of truth that is needed to invoke the Diamond Guidance. This allows our inquiry to be truly guided to illuminate and reveal the truth of who we really are.

TEACHERS: **Ilene Buchalter**, a Diamond Approach teacher since 2002, works with groups and individuals living in Florida, Colorado, the Southeast U.S., and internationally.

Ursula McCall, a Diamond Approach teacher since 2015, works with groups and individuals living in Florida, Hawaii, and internationally.
