

THE DIAMOND APPROACH®

Diamond Approach Florida *Essential Personal Love*

Diamond Approach Florida, an open group, welcomes new participants to join us for this teaching weekend. There will be talks evoking our depth, meditation and personal inquiry exploration.

As humans, Love is so fundamental that we need it to thrive and live. For our inner journey to flourish, we also need Essential Love.

When Love is essential and personal, we are imbued with a fully human heart that is sensitive, loving, sweet and appreciative in a personal way.

When we know and touch our experience through this loving and appreciative heart, our inner journey is fueled by Essential Personal Love. This is a love that acts to reveal and illuminate our true depth. In this way our inner journey becomes an exquisite expression of who we really are in our heart of hearts.

TEACHERS: Ilene Buchalter, a Diamond Approach teacher since 2002, works in person and online with groups and individuals living in Florida, Colorado, the Southeast, across the U.S., and internationally
