

THE DIAMOND APPROACH[®]

Diamond Approach Florida *ESSENTIAL PERSONAL WILL*

Diamond Approach Florida, an open group, welcomes those in the South/ Southeast US to join us for this teaching weekend. There will be talks evoking our depth, as well as meditation, and personal inquiry exploration.

The Essential Aspect of Personal Will can infuse our inner journey—and our life—so that it can feel like a steadfast, unwavering journey of discovery.

Essential Personal Will is the source of the true support, determination, and confidence needed to stay on our path and navigate the challenges and vicissitudes we encounter along the way.

Personal Will evokes our true determination to discover the truth of our experience. And our love of truth allows us to discover the wondrous treasure that is within us—who we really are. With this discovery, our inner journey and our life can be transformed.
