

THE DIAMOND APPROACH®

Diamond Approach Florida

THE BOLD ALIVENESS OF BEING

We live in challenging times. The Red essence manifests as a fiery aliveness that gives us a sense of strength and courage, and allows us to feel we are capable of meeting these challenges.

When our inner journey is infused with a bold spirit-- a fiery kind of heart-- it imbues us with a sense of real aliveness and boldness. This makes us feel capable and courageous. We need this essential courage, boldness and aliveness in light of the challenges we encounter on our inner journey and in our lives.

True inner courage and aliveness give us a sense that we have the capacity to meet those challenges. This, in turn, energizes our inner journey, allowing us to discover who we really are at our depth.

Diamond Approach Florida, a new open group, is offering this weekend and welcomes new attendees. There will be a talk evoking our depth, meditation and personal inquiry exploration.

TEACHERS: **Ilene Buchalter**, a Diamond Approach teacher since 2002, works in person and online with groups and individuals living in Florida, Colorado, the Southeast, across the U.S., and internationally.
