

THE DIAMOND APPROACH®

Diamond Approach Florida *THE SOUL CHILD*

Diamond Approach Florida, an open group, welcomes the public to this online teaching weekend on February 4-5. All are welcome! There will be talks evoking our depth, meditation and personal inquiry exploration.

What is our Soul Child?

An early structure in our Soul is the Soul Child, what is popularly called the “inner child” or emotional child. But actually, the emotional child is only the emotional part of our Soul Child.

As children we were far more than our emotions. We were living souls, full of life, adventure, curiosity, vigor, and playfulness, as well as emotions. But through our childhood conditioning these qualities became repressed and split off.

By exploring and understanding our Soul Child we can see how we are restricted in our lives and how we may become freer and more real.
