

THE DIAMOND APPROACH®

INQUIRY: POWERFUL JOURNEY OF PEACE

Diamond Approach Florida, a new open group, invites anyone living in the Southeast US to join us for this powerful teaching weekend. There will be talks evoking our depth, as well as meditation, and personal inquiry exploration.

Inquiry, the central practice of the Diamond Approach, is a unique way for us to become intimate with who we really are and to understand our personal, inner experience in the moment. The Black Essence is the source of essential Peace and Power.

When inquiry is infused with the peacefulness of the Black Essence, our inquiry—and our lives -- can feel like a peaceful, still, satiny smooth exploration. The true Power of the Black is an active expression of true Peace. True Power is an annihilating force in service of the truth that stills the agitations of the soul. When this essential Power infuses our inquiry, our exploration is steeped in a precise quietude. This in turn allows our lives to become a powerful journey of peace and absolute stillness.

On Friday evening, please join us for an “Introduction to the Diamond Approach”—a chance to meet the teachers and experience a taste of this path.

TEACHERS: **Ilene Buchalter**, a Diamond Approach teacher since 2002, works with groups and individuals living in Florida, Colorado, the Southeast U.S, and internationally.

Noell Goldberg, a Diamond Approach teacher since 2015, works with individuals in Florida, the East Coast, and abroad.
