FREE WEBINAR

INQUIRY: TRUE SUPPORT IN TURBULENT TIMES

In the wake of the coronavirus, **Diamond Approach Florida**, a new open group, welcomes anyone to join us on June 20 for a free webinar.

There will be a talk evoking our depth, meditation and personal inquiry exploration. These teachings and practices have the potential to help us bridge challenging times.

When Inquiry, the central practice of the Diamond Approach, is infused with the Essential Aspect of Will, our inquiry—and our lives-- can be anchored in a steadfast, unwavering sense of solidity.

Essential Will is the source of the true support, determination and confidence needed to navigate the challenges and vicissitudes we encounter in these turbulent times.

Real Will is an expression of our love of the truth, a love that allows us to rest in the depth of who we really are. This depth holds us with real support, even if the environment feels like stormy seas.

TEACHERS: Ilene Buchalter, a Diamond Approach teacher since 2002, works in person and online with groups and individuals living in Florida, Colorado, the Southeast, across the U.S., and internationally.

Caroline Pietrangelo Owens, a Diamond Approach teacher since 2016, works in person and online with groups and individuals living in Florida, California, throughout the United States, and internationally.
