

THE DIAMOND APPROACH®

Diamond Approach Florida ***SOUL SEARCHING***

When we talk about doing some soul searching, who is it that is searching?

Diamond Approach Florida, an open group, welcomes the public to this online teaching weekend on July 16-17. All are welcome! There will be talks evoking our depth, meditation and personal inquiry exploration.

Who is searching to know ourselves more deeply? Our soul, our individual consciousnesses, searches and is what transforms on our spiritual journey.

Our soul is an alive, shapeshifting, somewhat mysterious organ of perception, and field of experience. She is the eyes, ears and agent of Being acting in the world. As the soul, all our actions are an expression of Being.

Our soul is what grows and develops and what makes our inner journey possible.

TEACHERS: Ilene Buchalter, a Diamond Approach teacher since 2002, works with groups and individuals living in Florida, Colorado, the Southeast, across the U.S., and internationally.
