

Welcome!

Welcome to Blue Concierge Medicine! We're thrilled to have you as a member and partner with you in your health journey.

As a private concierge practice, you have direct access to our physicians and personalized, attentive care. Your health is our top priority. Please reach out anytime with questions or concerns.

How to Reach Us:

- **For Appointments or Non-Urgent Needs:** Send messages via the patient portal or call/text the main office at **(239) 610-1230, Monday–Friday, 8:00 AM–3:00 PM**
- **Urgent Matters After Hours:** Call or text your physician directly.
- **Medical Emergencies:** Call **911** first, then contact your physician as soon as possible, ideally before arriving at the hospital, so we can coordinate your care.

Patient Portal (Athena via link at blueconcieregmedicine.com)

Please use the patient portal to:

- request prescriptions and refills
- send messages
- upload documents
- view test results.

Using the portal for refills ensures accuracy and faster approvals. You can also access lab and imaging results directly through Athena.

Lab Work

- Lab work can be done in our office or at **Labcorp, Quest Diagnostics, or Access Labs** (a lower-cost, cash-based option). We'll help coordinate whichever option works best for you.

Imaging

- For imaging orders, please notify our office via Athena or text the main office on the day of your imaging appointment so we know to be looking for results.
- **Prenuvo** MRI scans **must** be scheduled through our office. Our partnership with Prenuvo offers flexible scheduling and allows your provider to review results directly with you.
