- Events are required of all company members. Once the dates are confirmed, please check your calendars carefully and add these dates. We need full commitment from all members for a successful year. We will continue to send out e-mail and/or BAND app reminders. If you know now that a date conflicts, you must let Brandy or Missy know ASAP.
- We will send out confirmations as soon as dates are confirmed. Rehearsal schedules and venue details will be sent out as soon as the information is available.
- Not all general studio events and due dates are not included here.
- For most competitions, plan on rehearsals the weekend before. Competition prices are based on numbers. If you back out of a competition at last minute, refunds are not given.

**TATD is a 4 day dance convention. It is held in Texas. It is for dancers 10+ (or going into 5th grade). It is not a mandatory event for Company members and non-company members who meet the requirements may attend.*

As of September 2022
