

## TUESDAY BALLET/TAP 5:00 INFORMATION

Hello! Recital is NEXT week! :)

*Here is some class information...*

**Dances:** Kingdom Dance (ballet), Hot, Hot, Hot (tap)

**Costume:** pink leo with fringe bottoms for tap and tutu for ballet, black tap shoes, pink ballet shoes, light stage make-up

**Tights:** pink tights (these are shipping but running late- we will have to pass them out at the show)

**Arrival time:** arrive 20 minutes before scheduled group picture time...if you cannot make the picture time, dancers in first half of show must arrive by 6:00PM.

**Group picture time:** ballet at 5:30PM, tap picture after you perform tap

**Class mom:** TBD

They will line up backstage by **6:45PM**. They are **#7** in the show for ballet, and **#10** in the show for tap. There is an intermission after routine #9. Only dancers, staff, and class moms are allowed in our backstage area.

I was reminded that the tutus and shorts were made to fit all sizes of waists for the MC size range, so pinning will be necessary for some. Totally part of dance life! Just pin from the inside and horizontally, and nobody will see the pins.

Individual pictures can start at 4:30PM. You can also fit in for individuals as there is time when the groups are done.

Some recommendations...bring baby wipes for make-up problems, wait until last minute for lipstick, only sips of water when in costume, big button up shirts are great for costume cover-ups
