

# DRESS REHEARSAL & PICTURES

## MONDAY, MAY 18, 2026

**PICTURES:** Pictures will be in the dance room. Parents will need to fill out order forms (if purchasing) and give them to photography staff. Parents will not be allowed in the photography room. There is not enough space and too many people in the room create distractions. Please trust the photographers will get the best pictures possible. We ask that everyone come for the group picture- even if not purchasing. If you plan to take individual pictures, they will work those in as time permits.

**Picture tips:** Wait until last minute to put on lipstick. We do not encourage travelling in tights and costumes, but if you do, use a large button-up shirt as a costume cover-up.

**DRESS REHEARSAL:** After pictures, we will take classes into the big room to run their dances. This will be a closed rehearsal similar to class. We need the full attention of the dancers as we show them the performance space and practice their routines.

**TIGHTS:** Many of you received tights in class this week. If you did not, we will have them labelled by class for you to pick up as you come in to get ready for pictures.

**RECITAL T-SHIRTS:** Unfortunately, T-shirts are going to be late. We hate this inconvenience, but we will get them to you ASAP. (Monday tap class- look for an additional email.)

*For Monday, we are estimating an hour for each group. Please be patient with us. We have many things going on to prepare for Tuesday. Some things may take longer than planned. We also have some dancers that have multiple routines and will need changing/overlap time. The most important focus is the picture time.*

Below is the picture times for each group. After the pictures, they will go to rehearse. Rehearsal times are approximate.
