

Youth and Family Center of McHenry County

The Youth and Family Center of McHenry County's Bi-cultural Navigation Program in collaboration with its youth program serves to equip, empower, and encourage youth and their families. Our collaboration with our local school district is vital in order to increase accessibility to county wide resources.

Our support to our local school districts includes but is not limited to:

School/ parent advocacy

Country/ county newcomers

Translation/interpretation services

Assist with technology barriers

Increase parent engagement

Linkage to basic necessities

On-site summer program

Cultural/ language barriers

On-site after-school program

IEP advocacy and support

Adverse childhood experiences

Community linkage
