## PIMLICO DEMOLITION PLANS

[Read about impact on the Park Heights neighborhood](#)

The long-planned demolition of the Pimlico racetrack will begin soon after next week's Preakness Stakes. Next year's Preakness will take place at the Laurel Park racetrack. Preakness returns to Pimlico in 2027. The new, \$400 million state-funded horse racing facility is expected to support about 500 jobs and become a year-round hub of economic activity, MSA leaders said.

The renovation will make Pimlico the permanent home of Maryland thoroughbred racing and will allow the facility to host more than 100 racing days each year. It currently hosts about 15 yearly. Aside from making Pimlico a world-class race track, there will be a hotel, event space, and other amenities.

We are asking for helpers of all ages, experience, and knowledge. We need the helpers to bring garden tools and dressed prepared to work. All clean-ups will start at 9am and end at 12 noon. Bring gloves, wear long sleeve shirts and long pants. Any time a person can devote will help even if a person can only help for one hour. The clean-ups will be conducted as indicated below:

➡ **Saturday, May 17 - Location: Park/Flagpole Areas/Queen Anne Road (both sides)**

Special Needs: shears, garden tools, trimmers and rakes

- Pick up litter and trash
- Remove overgrown and brush from areas border the grass areas
- Bag or bundle, and place in designated areas for pick up
