

# 6 simple ways to transition your home practices towards becoming **TREE FREE**

**Add a "mail only" note on your mailbox so you receive no additional junk mail**

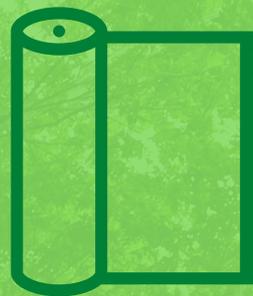

**Move to online banking so you are able to keep monetary transactions paper free**

**Save documents electronically whenever possible, if you must print, make it double sided**

**Instead of purchasing a paper newspaper, subscribe to your local outlet online**

**Replace paper towels with cloths and rags, replace disposable napkins with reusable alternatives**

**When planning a renovation or addition to your home, look for alternatives to newly cut wood such as straw bale or hempcrete**
