Greetings:

Ladydoves Self Enrichment Organization (LSEO) would like to extend an invitation for you to become a sponsor for the Young Gifted and Talented Showcase Fundraiser, Saturday, March 30, 2019, from 4pm to 9pm, at Occasions Catering and Banquet Hall located at 127-08 Merrick Blvd, Springfield Gardens, NY 11434. It is our 10 years anniversary celebration. We are looking for a partnership with an ambitious company that has a desire to help others and guide them through a path that leads to achieving their ultimate goals in life and great success. These goals are met by gaining exposure, experience, and promotional support, which is our mission for this event. We see these qualities in your company, and we invite you to join us to help our youth to obtain their personal goals.

Sponsors will have the opportunity to promote their product(s) and establish relationships with our partners and affiliates, in addition to obtaining advertising opportunities. This wonderful event strives to bring together a multitude of guests including media, entertainment groups and fashion related agencies. As a participant, LSEO will work with sponsors to highlight their products and direct networking opportunities while providing brand exposure throughout the evening. Sponsors' logos will appear on advertising and printed invitations. Sponsors will also have the opportunity to set up banners or other items to identify their products or services offered.

We have teamed up with Occasion Catering and Banquet Hall, a local business in Springfield Garden, Queens, who takes a major interest in supporting their community and different youth organizations from various states. This event will shine a spotlight on our young entrepreneurs, singers, designers, dancers and a list of other talented participants. Our goal is to inspire and empower our youth regardless of where they live with the opportunity for them to display their skills.

LSEO has enclosed an outline of the event, current sponsorship application and complete contact information. On behalf of LSEO, we would like to thank you in advance for this opportunity and look forward to hearing from you.

Sincerely,

Andrene Williams  
Founder/CEO  
Ladydoves Self Enrichment Organization

#### About Ladydoves Self Enrichment Organization:

LSEO is a non-profit organization that was founded on July 11<sup>th</sup>, 2008 and became a nonprofit in March 2009. Our organization is composed of women from diverse occupations, which bring forth unity, support and empowerment to successfully fulfill our roles as mentors, advisors, and facilitators to children from school age to young adulthood.

Andrene Williams saw a need in her community and as a result, began Ladydoves Self Enrichment Organization (LSEO) ([www.ladydoves.org](http://www.ladydoves.org)). Through LSEO, Ms. Williams designed programs as positive outlets for children ranging from 6 to 21 years old. Ladydoves provides scholarships, career advisement, job preparedness skills, summer programs, funding for summer camps, after school programs, mentoring and tutoring programs, a forum for women and much more. LSEO works to improve the outcomes for many of our community youths who we deem as valuable through the services and programs we offer. The youth represent our future generations, and with the proper guidance, training, and development of leadership skills, it is our goal to pave the way and help them build a strong foundation they can grow from. In addition, it is our duty to protect their individual rights and guide them to make the right decisions in the long run as responsible, productive, and independent adults.

#### Young Gifted and Talented Showcase Fundraiser:

This fundraising event is to inspire and empower our youth by granting them the opportunity to allow guests to view their products and performances. They will show the public why they're our future stars and business owners of tomorrow. The proceeds of this event will allow LSEO to financially assist children of low-income families and single-parent households the opportunity to attend summer programs. Our ultimate goal is to provide a safe and enjoyable summer for our disadvantaged youth.

LSEO offers a platform for learning and creative expression. We pride ourselves in introducing our most promising creative talent to leading fashion, beauty and entertainment recruiters.

#### Entrepreneur/Fashion Designers:

Our young entrepreneurs are given the opportunity to introduce their products. The presentation offers a chance for the youth to familiarize themselves with public speaking and receive feedback from guests and business experts. The fashion show is a platform for up and coming designers as well as experienced designers to display 10 items in their collection with a runway exhibition included. Fashion experts will be available to give young designers helpful tips on how to embrace the fashion industry. It is also viewed as an event designed to help expose, promote, and advance new talent and businesses in fashion.
