Dear Friends,

It is my pleasure to welcome you all to this year's edition of the Filipino-Canadian Artist Association of Quebec (FCAAQ)'s Canada Day Extravaganza concert!

This wonderful show is a brilliant showcase of the Filipino-Canadian Community's remarkable contribution to Mount Royal's cultural fabric, and a wonderful reflection of the talent found in our riding, our city and our country's multicultural diaspora. These concerts allow Canadians of all ages and all backgrounds to gather and celebrate our great country through song, dance, great food, and festivities, and I am so sorry that I am unable to join you in person this year.

I applaud all of today's performers and I wholeheartedly congratulate FCAAQ founder and President Michelle Vargas-Lao and her hardworking team for organizing yet another amazing event for all to enjoy. It is my pleasure to support your organization whenever possible, and I wish you all the best. Mabuhay!

Kind regards,

Chers amis et amies,

C'est avec plaisir que je vous souhaite à tous la bienvenue à l'édition de cette année du spectacle Extravaganza de la fête du Canada de l'Association des artistes filipino canadienne du Québec (FCAAQ)!

Ce magnifique spectacle met en valeur la contribution remarquable de la communauté philippino-canadienne au tissu culturel de Mont-Royal et est un magnifique reflet du talent de notre circonscription, de notre ville et de la diaspora multiculturelle de notre pays. Ces concerts permettent aux Canadiens et Canadiennes de tous âges et de toutes origines de se rassembler et de célébrer notre grand pays par la chanson, la danse, la gastronomie et les festivités, et je suis vraiment désolé de ne pas pouvoir me joindre à vous en personne cette année.

Je salue tous les artistes qui participent à ce spectacle, et je félicite chaleureusement la fondatrice et présidente de la FCAAQ, Michelle Vargas-Lao, ainsi que son équipe dévouée, d'avoir organisé un autre événement extraordinaire pour tous. C'est avec plaisir que j'appuie votre organisation dans la mesure du possible, et je vous souhaite beaucoup de succès. Mabuhay!

Cordialement,

Anthony Housefather

# THE BOARD OF JUDGES

JOSA MAULE is the Founder and President of MSOPA

Born and raised in Montreal, Josa's true passion has always been to be involved in the entertainment industry. It all started at the Negro Community Center spending many Saturdays in various workshops. At the age of eight, in her parents' basement, she created, produced, and directed her two sisters and numerous cousins for family gatherings and charged admission.

Following her dream at age twenty-five, she founded MSOPA..., thirty years later MSOPA is Montreal's leading acting school and a respected force in Montreal's growing acting community. Over thousands of students have participated in their programs. Her continuing dedication to the arts and to her students has earned Josa respect and recognition in the acting industry. She has received awards for her contribution to the arts and community over the years.

This year she is a recipient of 2023 CBC Black Changemaker.

She is thankful to God for blessing her with the opportunity to wake up with joy every morning and acknowledges her parents, her sisters, extended family, friends, her teaching /administration staff and countless students for their unconditional love and support.

AIREEN VARGAS

A Registered kinesiologist, personal trainer, dance teacher, and a recent owner of "BAM dance and fitness studio". She has been helping many Filipino-Canadians live a healthier lifestyle through fitness and help young children stay active through dance. She is also the director of the BATANG PINOY summer camp that promotes the Filipino culture to young Filipino-Canadian children of Montreal. When she is not teaching, she loves to spend time with her family and two children.

JULIEN ARSENAULT is a singer-songwriter from Montreal who has been writing music, performing and recording for over 15 years. He has contributed to numerous musical projects over the years and has performed in many Canadian cities. He has been releasing solo music under his name since 2020, and in April 2023 he released his latest EP, J. He regularly performs in and around Montreal and will release Tout Çe Qu'il Reste, a French-language EP of original material in the fall.
