After some great finals which were all played Sunday and on stage, watching Page Pauling not only being our youth champion but also out ladies champion. This young lady needs watching as she is going to be the force to be reconned with in the future. The men's final between Callum Wilson and Matt Clark was also one of the best finals we have ever had.

The night was not yet over as we had our new Gameshow with compars Lee Rose and Scott Rawlins who with their banter made this hilarious whilst giving away prizes and cash.

We must thank all our Darts Events 4 U staff who made this a great success, also Golden Palm and their staff who kept us fed and watered not forgetting the brilliant entertainment put on by Golden Palm.
