Favourite round (f on Round selection screenshot above)

To Change your favourite round:

1. Select the round to be your new favourite round

2. Swipe from right to left on the screen on the name selected round

3. Two options will appear on right of screen "Favourite" and "Detail"

4. Tap Favourite. This round will now be displayed under My Favourite Round at (f)

(6) Enter Scores on score sheet

a. Use numbered keypad to enter scores.

b. The Avg, Total and Score values will update as you enter your scores.

c. Distance totals will be updated and displayed below the score card for that distance.

d. Scroll down to see score cards for all distances in a round.

e. Round totals will be updated and displayed below the last distance in the round.

f. Tap on Journal icon to see the newly scored round displayed as a journal entry.

g. On the Journal entry swipe left to show the "More" and "Delete".

h. Tap "Delete" to delete the round or "More" to see View, Resume, Notes and Analysis options.
