Jordan Publications LLC Releases *Butch & Chance: Covered By Grace*, a Short Biblically-Based Teen Novella Where Childhood Wonder Meets Divine Protection.

Author Robert E. Jordan's new book invites readers to discover divine guidance in life's most perilous and ordinary moments. The heart of the narrative beats in the relationship between an adventurous young boy named Butch and his remarkably loyal dog, Chance. Together, they navigate a world that is deeply and spiritually alive. From flooded caves to fog-laden coastlines, attic treasures, and midnight encounters on Cedar Hill, Butch's journeys serve as a powerful reminder that grace is not merely a comfort—it is a covering, a companion, and an enduring guide. Through these adventures, imagination becomes a doorway to faith, danger becomes a classroom for courage, and history becomes a living testimony of God's constant presence. In the story, Chance is more than just a pet; he stands as a symbol of steadfast loyalty, mirroring the exact way God walks beside His children through life's unexpected storms.

"Life is stitched together by moments—some ordinary, some perilous, some mysterious—and in each one, grace quietly moves beneath the surface," says author Robert E. Jordan. *Butch & Chance: Covered By Grace* is an invitation to every reader, young or old, to find a spark of courage, a whisper of hope, and the absolute assurance that we are never truly alone.
