

Horse of the Americas, Inc. Mileage Awards

Definition: The Mileage Program is designed to recognize those registered Colonial Spanish Horses that travel over miles of distance and trails for pleasure or conditioning. These rides may be solo or with other horses. For non-competitive group trail riding, use the Pleasure Trail form.

- 1) Horses must be registered with the Horse of the Americas, Inc. during the entire point season for which points are submitted. If more than one horse is ridden, make a sheet for each horse.
- 2) The owner of the horse must be an up-to-date member of the organization and any points earned during a period in which the owner is not a member will not be utilized in the compilation of points for the season.
- 3) The person named as the owner on the point form must be the person who is named as owner on the horse's registration per HOA records.
- 4) Riders do not need to be members of the organization.
- 5) Documentation of mileage may be in the form of training logs or the HOA mileage form.
- 6) This category is based on the honor system since many miles are typically logged as solo miles.
- 7) Miles from CTR and Endurance rides are not included in this category since these activities have their own mileage accrual recognition. However training and conditioning miles for CTR and Endurance are accepted for recognition in this category.
- 8) To convert hours ridden to miles, a 1 to 3 ratio is generally accepted as standard rate at a walk. (1 hour = 3 miles)
- 9) Miles accumulate over the lifetime of the horse.
- 10) Points may be earned towards Buckaroo, Sundance, Legends, and Corazon Awards.
