

Horse of the Americas, Inc. Endurance Award

Definition: Long Distance rides over natural terrain running against time and other horses entered in the ride. Two categories are recognized by the AERC (American Endurance Ride Conference). Limited Distance (LD) 25 – 49 miles and Endurance 50+ miles.

- 1) Horses must be registered with Horse of the Americas Registry, Inc. during the entire point season for which points are submitted. If more than one horse is ridden, make a sheet for each horse.
- 2) The owner of the horse must be an up-to-date member of the organization and any points earned during a period in which the owner is not a member will not be utilized in the compilation of points for the season.
- 3) The person named as the owner on the point form must be the person who is named as owner on the horse's registration per official SMR records.
- 4) Riders do not need to be members of the organization.
- 5) All points accumulated must be in rides sanctioned by the AERC. Occasionally, a mini-ride of under 25 miles may be held in conjunction with an AERC sanctioned ride. Mini-ride points (less than 25 miles) accumulate toward the Pleasure Riding Award.
- 6) AERC awards Best Conditioned (BC) in both LD and Endurance rides.
- 7) Placings are based on the entire group. Weight categories are not recognized.
- 8) Ride Official must sign form if there is no AERC printout of results.
- 9) Points may be earned towards Buckaroo, Sundance, Legends, and Corazon Awards.

Note: In lieu of ride management signature on the Endurance point form, AERC official printouts are accepted as proof of performance.
