

In 2014, the NJ State NWTF Chapter, Women in the Outdoors program partnered with the staff and facility of the Wallkill River National Wildlife Refuge, NJ Division of Fish and Wildlife and more to create unique mentored deer and turkey hunting opportunities in New Jersey. These partnerships have given us the opportunity to introduce not only women to the world of hunting in a safe, friendly, and responsible atmosphere but youth, veterans and disabled persons too.

In 2019, we launched WITO Archery Deer Camp NJ. Sixteen women, ages 18+, attended the 2 ½ day experience to learn about archery deer hunting as well as have an opportunity to hunt with a mentor. 2020 presented many challenges in event planning; however, it also gave women the desire to learn to hunt, more than ever before. In an effort to help women find a place in the outdoors, we launched Virtual WITO Archery Deer Camp 2020. We expanded on our in-person workshop topics to bring a 6-week multimedia virtual course experience to participants. The women learned about everything from scouting to equipment to butchering and more. Because of COVID mandates, the in-person mentored hunt camp experience was only available to a small group of women. In 2021, we tweaked the program based on suggestions and created an even better experience.

As we work to plan for 2022 WITO Deer Camp, we are excited to get back to our roots by hosting the hunting portion at Wallkill River NWR. We have worked closely with the staff and our volunteers to make this the best year yet. These programs and our growing chapter would not be possible without the support of our partners and sponsors. Thank YOU for having a positive role in getting women in the outdoors.

In order to make this opportunity amazing for the participants, we are seeking donations and sponsorships to help offset the cost of both virtual and in person camp as well as to fundraise for future Deer Camp events and Deer Camp scholarships. Please see the attached for ways in which your company or business can be a part of the WITO Archery Deer Camp program.

Your donation will be featured on our website and social media sites, in print media and possibly NWTF media postings of the event. Our 501(c)3 non-profit tax ID number is: 86-2241382. Please mail your donation to Cristina Jones, 76 Mine Hill Road, Oxford, NJ 07863 or call (732) 740-1015 with any questions you may have. We thank you for your time, consideration and continued support.

Sincerely,

Cristina McGannon Jones
