Play to Win Game

We'll drive them to your booth, now it's your turn to tell them about your company and services. Have fun with this game! At registration, attendees are given a **"Play to Win"** game card instructing them to see every exhibitor to receive a signature from each vendor. All you have to do is sign next to your company's name and return the card to the attendee. Participants will play to win one of two great prizes! Raffle 1 – held on Saturday after the break; Raffle 2 – held Sunday after the break.

Security

Just a reminder that security is not provided. As defined in your contract & application, you are responsible for your booth and its contents. The exhibit hall will be locked overnight, but we encourage you to take valuables to your room when you leave.

Outbound Shipping

At the conclusion of the conference, please ensure all outbound packages are properly boxed, sealed, and clearly labeled. Please note that UPS and FedEx do not provide daily pickup service; you will need to schedule your pickup directly with the carrier. All outgoing packages must be brought to the Front Desk. Any packages not received by the Front Desk may not be shipped. The resort is not responsible for items that are not properly processed for shipment.
