

Frequently Asked Questions

What will the annual scientific meeting be like?

We had so many great speakers lined up that we decided to incorporate most of them in the virtual meeting! On Saturday, October 3rd will include a morning session and our Annual Business Meeting. Ample opportunities to visit with vendors in their virtual exhibit booths will also be available. Even though we can't be together in person, we will still *stay connected* with each other via our virtual meeting! We are excited that a virtual event makes it possible to broaden the learning and engagement opportunities.

What if I registered for the in-person meeting?

If you have already registered, your meeting registration will automatically be applied to next year's annual meeting. If you require a refund, please email Isabelle no later than September 11, 2020.

**if you paid online, the 3% convenience fee will not be refunded.*

How do I register for the 2020 Virtual Meeting?

The registration form for the 2020 virtual meeting can be found [here](#). It is also on our website, VSRonline.org. We are pleased to offer a discounted registration fee for the virtual conference. An additional *Early Bird* discounted registration rate ends on September 11, 2020 so hurry and register today.

Will I need to cancel my hotel reservation?

If you have made a hotel room reservation, please cancel it ASAP. Hotel cancellation fees will still apply.

Are you having a virtual VRAHPA Conference option?

Yes, please email Isabelle for further details.
